279th BSB Bamberg B-22 and B-505

- These roads are windy and truck traffic is especially heavy in the winter.

279th BSB Bamberg B-22 and B-505

- These are markers where fatalities have occurred.

- Drivers often drive too fast for road conditions and pass vehicles on blind curves.

279th BSB Bamberg Berliner Ring

This is a main road with heavy traffic flow:

DO NOT TRY TO BEAT the lights
